

LOYALTY FEST 2021

FORWARD FESTIVAL has turned everything upside down through detailed connections with representative groups across all levels of the business.

The outcomes of this **FORWARD FESTIVAL** can propel us from the brink of change to a meaningful re-engagement.

Woods Bagot is on the brink of significant change. This **FORWARD FESTIVAL** will enable us to pivot across to the Practice of the Future with everybody's sentiments and contributions having a meaningful impact.

SPECIAL STUDIO EVENT
SCREENINGS IN EACH STUDIO
DETAILS TO FOLLOW

Production Designer on films such as Interstellar, The Dark Knight, Dunkirk and West World, Nathan has also worked with Woods Bagot on creating new realities and master plans. Based on a form of ancient modernism and epic representations of narrative, his work has inspired and changed the way we represent storytelling.
